

Aladdin Companies provides financial services to businesses throughout North America. Since 2010, Aladdin has been delivering outstanding customer service to our clients through our variety of services.

We are seeking an enthusiastic **Junior Developer** to join our experienced technical team. You will report directly to the Director of IT and assist with all functions of software coding and design. Your primary focus will be to learn the codebase, gather user data, and respond to requests from leadership and end-users.

To ensure success as a junior developer, you should have a good working knowledge of basic programming languages, the ability to learn new technology quickly, and the ability to work in a team environment. Ultimately, a top-class Junior Developer provides valuable support to the technology team while continually improving their coding and design skills.

#### **Junior Developer Responsibilities:**

- Assisting the team with all aspects of software design and coding.
- Attending and contributing to company development meetings.
- Learning codebases and database schemas.
- Continuous improvement of your coding skills.
- Writing and maintaining code including bug fixes.
- Monitoring the technical performance of internal systems.
- Responding to requests from the leadership and end-users.
- Gathering information from consumers about program functionality.
- Writing reports.
- Conducting development tests.
- Query and interact with SQL data.

#### **Junior Developer Requirements:**

- Associate's or bachelor's degree in computer science. *\*Comparable experience considered*
- Knowledge of basic coding languages and practices. *\*Bonus points for knowledge of Angular, Node, C#*
- Basic programming experience.
- Knowledge of databases and operating systems.
- Good working knowledge of email systems and Microsoft Office software.
- Ability to learn new software and technologies quickly.
- Ability to follow instructions and work in a team environment.
- Detail-oriented.
- Self-motivation, self-discipline, and focus.

#### **Why work for Aladdin?**

- *Environment:* Be part of a growing, tight-knit, employee-centric company
- *Stability:* Consistent growth since 2010
- *Culture:* A work hard, play harder, family-first culture. Be proud of where you go to work & who you work with.
- *Pride:* a well-respected company in Sioux Falls, with active leadership involvement.
- *Perks:* Snacks, drinks, Great Shots pass, and Premier Center box seats

#### **Benefits:**

- Medical, Dental, Vision, Life, Short, and Long-term disability insurances offered
- Health Savings Account
- 401(K) plan with employer match
- PTO and 6 paid holidays
- Ongoing technical training
